

Henlopen Acres Beach Club 2018 New Resident Member Information Form

Principal Member/Co-Member – The HABC bylaws provide for shared membership by legal co-owners of Henlopen Acres property. Such sharing entitles each owner; their spouses; children, grand-children, and great-grandchildren, over 11 years of age; as well as parents and grandparents to unaccompanied Club privileges (children 11 and under must be escorted at all times).

One co-owner must be designated the Principal Member for voting, dues-paying purposes, and as the conduit for all correspondence with HABC.

Co-Members and their families comprise a single membership and are entitled to only one umbrella station on the beach and to two parking permits which they all must share.

For specified family members, there will be an annual charge of \$200 for this access, as follows:

Free access: spouses, and unmarried children under the age of 23.

Access for a seasonal fee of \$200 each: parents, grandparents, married children and grandchildren, and unmarried children/grandchildren 23 years of age and older.

[Note that the family of a married offspring for whom you have paid the \$200 fee is also authorized access just as are your own family members. That is, their spouses and unmarried children under the age of 23 are authorized free access and those married or unmarried over 23 years of age may be permitted access for a \$200 fee.]

- All family members whom you wish to enjoy unaccompanied access throughout the summer season must be registered by name on the accompanying forms, and a fee of \$200 paid for those specified above.
- Each co-owner wishing unaccompanied access to the Club must register as a Co-Member, using the enclosed forms, and pay a seasonal fee of \$200. All procedures applying to the family members of the Principal Member apply equally to the family members of the Co-Members. Note that legal co-owners must own a proportionate share of the house.
- Co-owners who do not wish to register as Co-Members may use the Club only as an escorted guest of a Member who has complied with the requirements above. In addition, any Club members who decide not to register their family members must similarly accompany those unregistered family members as guests.

These forms may be confusing, so please feel free to contact us should you have any questions:

HENLOPEN ACRES BEACH CLUB
